CHAPTER 3

About Me

Hi my name is Aaron Carlisle and I am an opensource enthusists. This means that I spend most of my time contributing to opensource projects, information of which can be found in my *code portfolio*. In what little spare time I have I like to create digitial art which can be found in my other portfolio here

If you would like to contact me I would love to get to know you. Please see my *contact* page for a list of easy ways to contact me.

CHAPTER 4

Other Pages

4.1 Playground

Here is a digital play ground to try new things.
